14 November 1952

MEMORANDUM FOR: Deputy Director, Plans

FROM : Deputy Director Central Intelligence

- 25X1 1. [ ] called to see me this afternoon. The  
25X1 real purpose of the visit apart from a general desire to establish  
25X1 some contact with us, was to recommend for possible use in South  
25X1 America a certain [ ] who worked with us in OSS days in  
25X1 [ ] Washington particularly in connection with [ ]  
25X1 [ ] matters. [ ] apparently is an expert on Latin America  
25X1 and [ ] feels he could do a unique job there. [ ] record  
25X1 should be available in great volume in the OSS files. Personally  
I did not see enough of him in 1942 to judge of his utility. I  
know he is extremely smart.
- 25X1 2. I understand [ ] is now a naturalized American but do  
not know the date of his naturalization; Francis thought it was  
sometime during the war. I doubt whether we have the time or  
patience to work with F.M. but we might look up [ ] record.
